

Information Form

Brede Exposition Services will receive your materials shipped in advance at our local warehouse, or shipped directly to show site. For detailed information regarding material handling services provided by Brede and the associated charges, please see below. Please make your show site representative aware of the following information.

Exhibitors may choose to ship freight to the advance warehouse or directly to show site. Brede will receive and manage the freight at the warehouse and on show site as described in the following pages. Material handling fees are paid to Brede for these material handling services, and are separate from and independent of freight transportation charges, which are paid to a freight carrier such as YRC, ABF, FedEx, or any other carrier of the exhibitor's choosing. Exhibitors are responsible for securing a carrier of their choosing and arranging freight transportation to and from the event, and all associated transportation fees.

Material Handling Rates

Information Form

By completing and submitting the Material Handling order form, exhibitor acknowledges reading and accepting the terms and conditions included on the Material Handling Information forms, as well as the Limits of Liability form. Please review these money-saving tips to make the most efficient use of your material handling budget. Please make your show site representative aware of the following information.

Money-Saving Tips

In General

- Ship via common carrier to avoid possible special handling surcharges.
- Ship early to avoid overnight charges whenever possible.
- Furnish accurate weight tickets with your shipment.
- Properly label/address all shipments to avoid time-consuming re-routes, mis-deliveries, and delays. Remove old shipping labels before you send materials, and attach new labels with complete information. Shipping labels are provided in this service manual for your convenience.
- When shipping direct to show site, confirm in advance that your carrier can guarantee delivery of your freight to the exhibit facility during move-in dates. When possible, schedule shipments to arrive during straight time rather than overtime periods.
- Label your freight with the number of total pieces – example 1 of 3, 2 of 3 and 3 of 3.
- Take a copy of tracking numbers to the show, as well as origination and destination points, piece counts, arrival dates and phone numbers for tracking purposes.

Consolidate Your Shipment

- Separate shipments received by Brede will not be combined. The minimum 200 lb. charge applies to each shipment Brede receives.
- Consolidate your shipment whenever possible to avoid multiple minimum charges.
For example:
 - o 1 piece weighing 36 lbs. charged @ 200 lb. minimum x \$100.00 per CWT = \$200.00
 - o 1 piece weighing 62 lbs. charged @ 200 lb. minimum x \$100.00 per CWT = \$200.00
 - o 1 piece weighing 54 lbs. charged @ 200 lb. minimum x \$100.00 per CWT = \$200.00**TOTAL cost of three shipments arriving *separately*: \$600.00**
OR
 - o 3 pieces totaling 152 lbs @ 200 lb minimum x \$100.00 per CWT = \$200.00**TOTAL cost of one *consolidated* shipment: \$200.00 *Savings of \$400.00***
- Shipments arriving at the same time from different destinations are considered separate shipments.
- Please be aware that small package handlers may split shipments resulting in Brede receiving multiple shipments.
